

How to Log In and View Session Entries on Achieve Well Challenges

This guide details the process of navigating the Achieve Well Challenges website, from the initial landing page to logging in as an administrator and viewing the list of logged sessions, deleting entries as well as downloading completed logs

1 Navigate to achievethechallenges.co.uk

[Achieve Well Challenges](https://achievethechallenges.co.uk)

2 Click on the Login Button

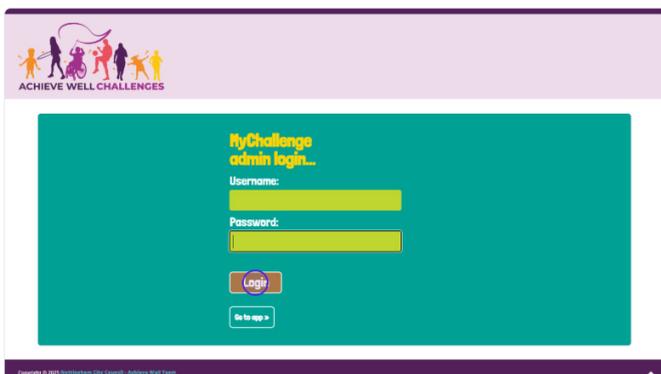

On the initial Achieve Well Challenges page, click the orange 'Login' button.

3 Select 'GO TO ADMIN' to Access Administration Login

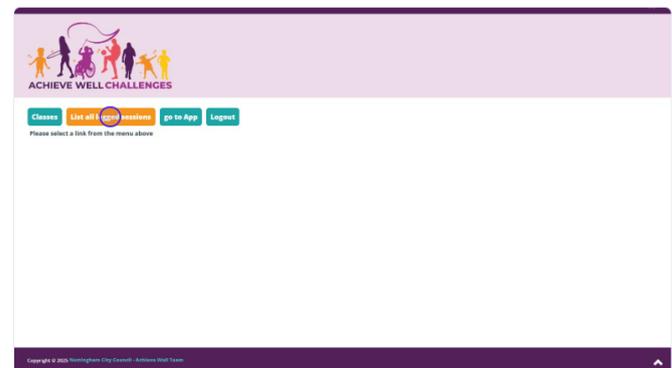

On the login screen, click the orange button labeled 'GO TO ADMIN »' to proceed to the administrative

4 Enter Administrator Credentials and Log In

On the 'MyChallenge admin login...' screen, enter your Username and Password into the respective fields, and then click the 'Login' button.

5 View the List of Logged Sessions

After successfully logging in, click the 'List all logged sessions' button from the menu bar to view all recorded sessions.

6 Review Session Details
